# MESSAGE FROM THE EXECUTIVE BOARD

Praise the Lord KUCUAF family! Happy new year 2022!

**W**e are hopeful that you have started the year on a high gear. Our prayer is that the Lord will meet with your personal plans, hopes, ambitions and bring them to fruition. This new year, our theme is: **Advance (Deuteronomy 1:7) with a motto of CRAM- Committed, Reliable, Available and Motivated.** The Lord is inviting us to another level of intimacy with Him and with one another. It is a call to walk with God and also work for God with our hearts, soul, mind and strength. Our Strategic Plan (2022-2025) is almost out with a focus on Engaged and Motivated Membership.

The plan outlines four main focus areas:

1. Membership recruitment, retention and enrichment.
2. Organizational development and effectiveness to deliver on the mandate

of the fellowship.

3. Sustainable funding: This will result in increased financial capacity in order to realize our vision.

4. Missions and students outreach: Progressively build our capacity to mentor and support KUCU family while also reaching out with the Gospel in areas (geographic and otherwise) that have limited to access.

### Celebrating Progress

We took over leadership with a registered membership of 67. This number of registered members has grown by 59% to a current number of 114.

We look forward to raising this number to over 200 by the end of 2022. Our desire is to have a team of resourceful team members with whom we can partner, who will avail their skills, time, resources to help us realize all these.

### LOOKING BACK TO 2021,

we are grateful to God for his Grace and abounding love.

### Fellowship and Prayer:

As you would recall, we had wonderful sessions of corporate prayer and fasting from January to December 2021, held every 4th week of the month. The week of prayer culminated in a glorious Saturday fellowships that were always well attended.

### Official communication:

We held our AGM and deliberated on important issues affecting our fellowship. We are grateful to all who attended and provided input into the discussions. Many of you also gave us important feedback and input through consultative surveys shared with you. You did not get tired and instead, provided valuable information that has enabled the leadership to advance various tasks. We hope that you will remain engaged and inspire others to participate with us in growing our fellowship to where we would like it to be.

# THE FOCUS FOR THE YEAR 2022.

We welcome all of you into year 2022 and ask for your hands, legs, eyes, ears and mouth to support this fellowship in every way. Based on our strategic focus, we request for your commitment to the following:

**1. Growth in personal and corporate prayer:** We shall continue with our monthly corporate prayers, organizing informal prayer meetings especially for those affected in our midst, the daily prayer groups among others. We encourage each individual to join a prayer group which are spread for Monday to Friday.

**2. Building unity of believers through regular fellowships** Our desire is to continually meet every 4th Saturday from 7pm to 9pm for our monthly fellowships. The small groups will also plan for their sessions. Additionally, we will also plan for members "meet and greet" both virtual and in person.

**3. Financial commitment:** We covet your support for this team. Our finances are needed for various activities including monthly fellowships, alumni Sunday, secretariat functions, leadership engagements, AGM, mentoring students and outreach to the vulnerable. We are banking on members' subscriptions, special giving for some of the events and a fundraising in the course of the year to bridge the gap.

**4. Members welfare:** Brotherhood is only experienced when we show care and concern to one another both in need and in deed. As already outlined in the welfare policy guide-

lines, we will stand with each other. Additionally, let us strengthen other informal ways

and participation in graduations, baby visits among others.

**5. Missions & students mentorship:** Missions and students outreach: Progressively build our capacity to mentor and support KUCU family while also reaching out with the Gospel in areas (geographic and otherwise) that have limited to access.

**6. Organizational development programs:** SGM, policy development, working structures, periodic audit and review of the operations, feedback. We will count on your support to ensure KUCUAF grows her capacity to realize our potential and goal for which God brought us together.
